COVID – 19 Update

PharmaZen Limited has established it is able to operate as an essential business under the 'Primary Industries; including food and beverage production and processing' authority.

The Company is registered, reference # 11443407127 and has had its Emergency Response Plan audit successfully completed.

Our primary priority is to staff and we had, prior to lockdown, already implemented additional staff welfare initiatives including the leasing of additional amenities to allow for departmental separation of factory areas.

The factory is operating at back to 80% of pre-lockdown levels and we are confident customer disruption will be able to be minimised.

Craig McIntosh
Managing Director
